Dear Sobhi:

Thank you for the beautiful pen.

Your ideas and improvements to our CONROY'S stores have not gone unnoticed, and are very much appreciated.

I see no reason why you and your company should not continue to be an important part of the overall services provided by our recommended vendors.

Thank you again for the pen. It is very beautiful.

Best personal regards,

Christopher M. Conroy

Dear Sohbi Tadros,

I would like to congradulate you on the amazing construction feat performed by your company on the Lakewood & Carson Flower Shop.

You have the ability to give a customer speed in construction without losing quality in workmanship. When you told me you could finish a Conroy Store in sixty (60) days I felt it would be impossible, but you have made me a believer. I am looking forward to a closer association between Conroy's Construction & Pelican Construction.
