Dear Sir :

Please feel free to use the following testimonial on your web site or in other promotional material.

SF Tadros Development Inc. was engaged to act as project manager in the construction of the Marriott Fairfield Inn & Suites Montreal Airport. The nine storey hotel was built on budget and ahead of schedule. The building is first class and meets the rigorous standards of the Marriott brand. We are extremely pleased with Mr. Tadros and his team and would recommend his services on future projects.
